C O N S I D E R A N D O S :

I. De conformidad con el artículo 36 de la Constitución Política del Estado de Jalisco, el ejercicio del Poder Ejecutivo corresponde a un ciudadano que se denomina Gobernador del Estado.

II. La Ley Orgánica del Poder Ejecutivo del Estado de Jalisco, dispone en su artículo 2 que el Gobernador del Estado, para el ejercicio de sus facultades y atribuciones, así como para el debido cumplimiento de sus obligaciones, se auxilia de la Administración Pública del Estado; entendida como el conjunto de Dependencias y Entidades públicas jerárquicamente subordinadas al Gobernador del Estado, para auxiliarlo en el ejercicio adecuado de sus funciones y facultades constitucionales y legales, de conformidad con la Constitución Política del Estado de Jalisco y las leyes que de ella emanen.

Administración

III. Acorde con los artículos 3 párrafo 1 fracción I, 16 párrafo 1 fracción III y 19 de la Ley Orgánica del Poder Ejecutivo del Estado de Jalisco, se aprecia que la Secretaría de Administración es una dependencia que forma parte de la Administración Pública Centralizada del Gobierno del Estado de Jalisco.

IV. En ese sentido, el artículo 15 de la Ley Orgánica del Poder Ejecutivo del Estado de Jalisco establece las atribuciones y obligaciones de los titulares de las Secretarías, entre las cuales se encuentran en el párrafo 1 fracciones IX y XVI, la de expedir acuerdos en las materias de su competencia; por su parte, el Reglamento Interno de la Secretaría de Administración, en su artículo 3 fracciones IX, LIV y LX, puntualiza que es facultad de su Titular el emitir toda clase de acuerdos administrativos relacionados con los asuntos que sean de su competencia, salvo disposición en contrario.

V. Con fecha 1° primero de Marzo del año 2025 dos mil veinticinco, se publicó en el Periódico Oficial "El Estado de Jalisco", mediante acuerdo DIELAG ACU 017/2025 el Reglamento Interno de la Secretaria de Administración del Estado de Jalisco, y en lo que respecta a las atribuciones de la Dirección General de Depósito y Custodia Vehicular, en particular la que corresponde a realizar el proceso administrativo de ejecución, cita lo siguiente:

VI. Por su parte, el artículo 22 fracción IV del Código Fiscal del Estado de Jalisco, considera como autoridad fiscal al Director de General de Depósito y Custodia Vehicular del Estado de Jalisco, para las cuestiones relacionadas con la guarda y custodia de vehículos y bienes en los Depósitos Vehiculares.

> ***El mismo artículo, cita en su último párrafo, que: La Secretaría de Administración será considerada autoridad fiscal para determinar, liquidar y ejecutar los adeudos que se generen por servicio de guarda y custodia de vehículos mercancía y objetos varios, en los depósitos a su cargo.***

VII. En el mismo tenor que el punto anterior, se cita lo que refiere el artículo 25 fracción IV inciso d párrafo tercero de la Ley de Ingresos del Estado de Jalisco:

/Administración

"(...) En el caso de que los propietarios de bienes puestos en depósito que adeuden 180 días o más por servicios de guarda y custodia, sin que hayan efectuado el pago de las contraprestaciones establecidas en el presente artículo, la Secretaría de Administración procederá a formular la liquidación correspondiente. Los propietarios de bienes deberán efectuar el pago dentro de los quince días siguientes a la fecha en que haya surtido efecto la notificación de la misma. (...)

VIII. Así mismo y para mayor puntualidad, el Artículo 129 BIS del Código Fiscal del Estado de Jalisco, define lo siguiente:

Artículo 129 BIS. El procedimiento administrativo de ejecución previsto este Título respecto de los adeudos generados por la prestación del servicio de guarda y custodia de vehículos, mercancía u objetos varios, que se encuentren en los depósitos vehiculares a cargo de la Secretaría de Administración, será desahogada por ésta a través de la Dirección General de Depósito y Custodia Vehicular.

IX. Con fundamento en lo manifestado en el Código Fiscal del Estado de Jalisco en su artículo 94 fracción IV en el cual nos refiere que al ignorar el domicilio del propietario del automotor, se notificará mediante estrados siguiendo las reglas de lo manifestado en el artículo 99 de la Ley ya referida;

Artículo 99.- Para las notificaciones por estrados se harán fijando durante cinco días el documento que se pretenda notificar en un sitio abierto al público, en las oficinas de la autoridad que efectúe la notificación o en la página electrónica que al efecto establezcan las autoridades fiscales; dicho plazo se contará a partir del día siguiente a aquél en que el documento fue fijado o publicado según corresponda; la autoridad dejará constancia de ello en el expediente respectivo. En estos casos, se tendrá como fecha de notificación, la del sexto día hábil, contado a partir del día siguiente a aquél en que se hubiera fijado o publicado el documento.

X. Con fecha **01 de Octubre del año 2026**, el suscrito, C. Director de General de Depósito y Custodia Vehicular de la Secretaría de Administración del Gobierno del Estado de Jalisco y conforme a las facultades descritas en el numeral 26 del Código Fiscal del Estado de Jalisco, así como lo establecido en el artículo 52 fracción XIII del Reglamento Interno de la Secretaría de Administración del Estado de Jalisco, ha solicitado de manera formal y oficial, a los diversos organismos públicos estatales y federales, información sobre la existencia de algún procedimiento jurisdiccional o administrativo vigente, que por los efectos jurídicos que puedan suscitarse, alguno de los bienes enlistados, requiera ser excluido del Procedimiento Administrativo de Ejecución, otorgando el plazo de 30 días contados a partir de la fecha de la solicitud para la recepción de respuestas.

Administración

XI. Por otro lado, sostener la administración operativa, de seguridad y el resguardo de los bienes remitidos por las diversas autoridades a un Depósito Vehicular, implica la erogación de recursos financieros, materiales y humanos, así como el destino de lugares especiales para resguardarlos, sin dejar de mencionar, la responsabilidad gubernamental y patrimonial que apareja la guarda y custodia de dichos bienes.

XII. Al tenor del punto anterior, el costo por días de pensión que se han acumulado por la guarda y custodia, y que obedecen a lo que señala la Ley de Ingresos del Estado de Jalisco, en sus distintas anualidades, es una suma que ha rebasado el precio que un vehículo en resguardo puede comercializarse en el mercado, no obstante a ello, también la inclemencia del clima (sol, lluvia y tierra) y el pasar del tiempo en desuso, genera averías naturales al vehículo, y en ese rubro es preciso mencionar que también genera externalidades en deterioro del medio ambiente y de la comunidad.

La permanencia prolongada de vehículos y bienes en los depósitos vehiculares no solamente genera un incremento constante en los créditos fiscales derivados del servicio de guarda y custodia, sino que también representa una carga financiera para el Estado, limita la capacidad operativa de los depósitos, incrementa los riesgos de responsabilidad patrimonial, propicia el deterioro acelerado de los bienes por el transcurso del tiempo y la exposición a la intemperie, genera afectaciones ambientales derivadas del abandono de vehículos y disminuye la eficiencia de la administración pública. En consecuencia, el Procedimiento Administrativo de Ejecución constituye el mecanismo legal previsto por el Código Fiscal del Estado de Jalisco para recuperar los créditos fiscales y optimizar el uso de los bienes públicos destinados al servicio de depósito y custodia vehicular.

XIII. Que, en observancia de los principios de legalidad, seguridad jurídica y debido proceso, resulta procedente hacer del conocimiento de las personas propietarias, poseedoras o de quienes acrediten algún derecho sobre los bienes relacionados en el listado anexo al presente Acuerdo, la existencia del adeudo generado por los servicios de guarda y custodia, otorgándoles la oportunidad de comparecer ante la Dirección General de Depósito y Custodia Vehicular de la Secretaría de Administración para regularizar su situación jurídica y fiscal mediante el pago de los créditos fiscales correspondientes y, en su caso, solicitar la devolución del bien de su propiedad, antes de que continúe el Procedimiento Administrativo de Ejecución conforme a las disposiciones aplicables.

XIV. Antes de continuar con las etapas de ejecución que impliquen disposición del bien, deberán atenderse las constancias existentes respecto de procedimientos jurisdiccionales o administrativos que jurídicamente puedan impedir o condicionar su ejecución. Esta verificación tiene por finalidad

proteger la esfera jurídica de terceros y evitar que la Administración disponga de bienes sujetos a una controversia, medida cautelar, aseguramiento o determinación de autoridad competente incompatible con su ejecución.

XV. La comparecencia de una persona que manifieste ser propietaria, poseedora o titular de algún derecho sobre un bien deberá ser atendida conforme a las disposiciones aplicables, verificando la documentación que presente y dejando constancia de las actuaciones realizadas. En caso de existir una resolución judicial o administrativa que produzca efectos sobre el bien, ésta deberá incorporarse y valorarse para determinar la procedencia de continuar, suspender, excluir o modificar las actuaciones de ejecución, según corresponda.

XVI. El crédito fiscal derivado de la guarda y custodia constituye la obligación económica cuyo cobro se pretende hacer efectivo mediante el Procedimiento Administrativo de Ejecución. El vehículo, mercancía u objeto constituye, en su caso y conforme a las reglas del propio procedimiento, el bien susceptible de embargo, remate o adjudicación. Esta distinción resulta relevante para evitar confundir la obligación fiscal con el derecho de propiedad sobre el bien y para garantizar que cualquier acto posterior se encuentre debidamente sustentado.

En virtud de lo anterior, resulta jurídicamente procedente emitir el presente acuerdo como instrumento de notificación y publicidad de los bienes comprendidos en el supuesto legal, sin que su sola emisión implique por sí misma la adjudicación, remate o transmisión de propiedad de los bienes. La continuación de dichas etapas estará condicionada al cumplimiento de los requisitos legales correspondientes, por lo que emito el siguiente:

A C U E R D O :

PRIMERO. - Se notifica a todas las personas propietarias o que gocen de un derecho sobre los vehículos que se desprenden del documento anexo al presente acuerdo, para que dentro del término de los 5 cinco días siguientes acudan a la Dirección de Depósitos Vehiculares de la Secretaría de Administración del Estado de Jalisco, a efecto de acreditar su personalidad e interés jurídico, consultar el estado del crédito, realizar el pago correspondiente, solicitar la devolución del bien cuando legalmente proceda o hacer valer las manifestaciones y medios de defensa que correspondan.

Administración

SEGUNDO.- No obstante el punto anterior, y dado que esta Dirección General de Deposito y Custodia Vehicular de la Secretaría de Administración del Estado de Jalisco, desconoce tanto el nombre como el domicilio de las personas propietarias o con derechos sobre los vehículos enlistados, se ordena a la Dirección de Depósitos Vehiculares, a realizar la presente notificación por estrados, que se fijarán durante 5 cinco días en la oficina que ocupa dicha Dirección, con domicilio en Av. Fray Antonio Alcalde 1221, piso 4, Colonia Miraflores, Código Postal 44266 en el Municipio de Guadalajara, Jalisco, conforme al artículo 94 fracción IV y 99 del Código Fiscal del Estado de Jalisco.

TERCERO.- Se reitera a las autoridades integrantes de la administración pública centralizada, que en caso de tener conocimiento de un procedimiento jurisdiccional o administrativo, que por los efectos jurídicos que puedan suscitarse, alguno de los bienes enlistados, requiera ser excluido del procedimiento administrativo de ejecución, se informe dentro del plazo de 30 días a la Dirección de Depósitos Vehiculares de la Secretaría de Administración del Estado de Jalisco, ello de conformidad con el artículo 183-B del Código Fiscal del Estado de Jalisco.

CUARTO. La continuación del Procedimiento Administrativo de Ejecución, incluyendo en su caso embargo, avalúo, convocatoria, remate, adjudicación o cualquier otra forma de realización de los bienes, se efectuará exclusivamente cuando se hayan satisfecho los requisitos, plazos, formalidades y condiciones establecidos en el Código Fiscal del Estado de Jalisco y demás disposiciones aplicables.

QUINTO. El presente acuerdo no constituye por sí mismo acto de adjudicación, remate, transmisión de dominio ni declaración de propiedad a favor del Estado respecto de los bienes enlistados; su objeto es formalizar la notificación y publicidad de la situación fiscal y administrativa de los bienes, dejando a salvo los derechos que legalmente correspondan y sujetando cualquier acto posterior a las etapas formales del procedimiento.

SEXTO. Se publique el presente ACUERDO, junto con el listado anexo, en la página electrónica institucional de Depósitos Vehiculares, en los términos y con las salvaguardas de protección de datos personales que resulten aplicables.

TRANSITORIOS:

PRIMERO. Se ordena la publicación del presente acuerdo en el Periódico Oficial "El Estado de Jalisco, para que surta sus efectos legales correspondientes, el cual entrará en vigor el día de su publicación.

Administración
